INSURANCE *

In light of the terrible recent pandemic it is important that you have the correct travel insurance. As a very small French business we are in no position to cover costs for pandemics or unexpected cancellation. You are entering into a private contract with us and we are not subject to ABTA conditions, non European rules & refund policies. Ensure that your travel insurance covers you for all consequential losses should you not be able to travel for whatever reason. You need insurance to cover all medical expensis and losses when you enter the EU.
